

INTERNATIONAL GROUP TRIP – Final Participant Information

Instructions:

Please ask parents/guardians to provide you with information on how to contact them **during** the trip. For example if they are going to be on vacation themselves at that time, you need the contact information where they are staying. In the weeks before departure, you may need to ask them to check information provided earlier. As well, you need an alternate contact.

Three to four months before to the trip – start to collect participants' (adult and girls) information.

Four weeks before the trip – submit completed form to Provincial International Adviser.
