Parent/Guardian Consent

General Consent Statement

Guiding activities are organized according to set standards and guidelines for activity management including supervision, training, equipment, and health matters. These standards are documented in Safe Guide: Activity Planning and Safety Management and are available upon request.

During a typical Guiding activity, your daughter/ward may participate in activities, supervised by her Guider, which may include, but are not limited to:

- Arts and crafts (use of scissors, glue, small craft materials)
- Active games (physical activities that may involve balls, running, skipping, jumping, tossing, etc.)
- Use of equipment (for science experiments, crafts, games, cooking, etc.)
- Active outdoor activities in the community (cookie sales, walking tours, skating, nature walks, etc.)
- Excursions to local points of interest (museums, parks, fire halls, etc.)

In all activities there is an element of risk. While Girl Guides of Canada and your daughter's/ward's Guider(s) take reasonable precautions to minimize these risks, this is no guarantee against injury or loss.

Some of the risks associated with typical activities include (but are not limited to): scrapes, cuts or bruises; sprains, strains or possible broken bones; illness from known or unknown sources; theft or loss of possessions; unforeseen injuries from activities, equipment or actions of your daughter/ward, other participants or other people, including negligent actions.

You will occasionally need to provide your daughter/ward with equipment or clothing appropriate for the activity.

From time to time, unscreened adults who are not Members may assist with the supervision of your daughter's/ward's unit activities under the direction of a Guider. Our procedures do not permit a girl to be left alone with an unscreened adult.

Some activities may take place in the community. These may be within walking distance, or may require a different drop-off or pick-up location. When activity locations require alternate drop-off or pick-up or other transportation arrangements, the Guider will provide you with the details.

From time to time your daughter/ward may attend activities or events (e.g. camps, trips, or special outings or events) that would be in addition to the activities outlined above. Your permission will be required for these specific activities/events. If this occurs your daughter/ward's Unit Guider will send home additional information about the planned activity or event.

Declaration:

I have read and understand the information provided on this form. I understand and assume any and all risks associated with Guiding activities on behalf of my daughter/ward not limited to those risks listed above. I authorize my daughter/ward to participate in the activities described above.
