

Annual Camping Statistics Report

YEAR: from September 1, 20 ____ to August 31, 20 ____

Name of: _____ District / Division / Area / Province (circle one)

Prepared By: _____

Telephone: (_____) _____ Date: _____

Camp Time: use the Camp Time Worksheet (C.1a) or

- For each type of camp, add together the amount of camp time as reported on the Camp Reports (Part B of C.2 or C.7) line 3.
- Enter this number in the appropriate box for each branch. Link are counted as Guiders; girls 12-14 years not registered elsewhere are counted as Pathfinders.

Division / Area Camp Advisers summarize the C.1 forms received from their Councils and add in any C.2s or C.7s received by them.

Type of Camp	Sparks	Brownies	Guides	Pathfinders	Senior Branches	Trex	Extra Ops	Guiders	Total Camp Time	Non-Guiding
Residential short-term										
Residential long-term										
Camp (tents) short-term										
Camp (tents) long-term										
Adventure camping										
Backpacking										
Canoeing										
Winter Camp										
Other: Specify										
Joint Activities (Scouts Canada)										
Total Camp Time										

Summary of Unit and Group Camps

Number of Unit Camps = ____

Number of Group Camps = ____

Annual Camping Statistics Report

YEAR: from September 1, 20 ____ to August 31, 20____

Name of: _____ **District / Division / Area / Province** (circle one)

Membership Participation: Use the Membership Participation Worksheet (C.1b) or

Unit Participants are determined as follows:

- For each Unit, review line 1 of the Camp Reports (Part B of C.2 or C.7) and select the camp at which the most (largest number) girls from the unit participated. Only one camp per unit is reported in this section.
- Tally the number of participants from each camp by branch and enter this total.

Group Participants are determined as follows:

- For each group camp, tally the number of participants in each branch who participated in the camps.
- Enter this total for each branch.

Division / Area Camp Advisers summarize the C.1 forms received from their Councils and add in any C.2s or C.7s received by them.

	Sparks	Brownies	Guides	Pathfinders	Senior Branches	Trex	Extra Ops	Guiders	Total	Non-Guiding
Unit Camp Participants										
Group Camp Participants										
Total Membership Participation (A)										

Percentage of Membership Participation in Camping (Optional)

Use the census for the District / Division / Area for which this form is completed.

	Sparks	Brownies	Guides	Pathfinders	Senior Branches	Trex	Extra Ops	Guiders	Total	Non-Guiding
(B) Census										
Percentage of girls who camp: (A) divided by (B)										

Membership Participation Worksheet

Unit Participants are determined as follows:

- For each unit, review line 1 of the Camp Report (Part B of C2 or the C7) and select the camp at which the most number of girls from the unit participated. Only *one* camp per unit is reported.
- List this number for each branch and tally.
- Enter this total for each branch on Annual Camping Statistics Report (C1).

List Units (Largest Camp ONLY)	Sparks	Brownies	Guides	Pathfinders	Senior Branches	Trex	Extra Ops	Guiders	Member Total	Non- Guiding
Unit Camp Participation Total										

Group Participants as determined as follows:

- For each group camp, tally the number of girls in each branch who participated in the camp.
- Enter this total on the Annual Camping Statistics Report (C.1) Membership Participation.
- Link are counted as Guiders; girls 12-14 years not registered elsewhere are counted as Pathfinders.
