BC Camping Committee Ranger-Aged Youth Representative

The BC Camping Committee is looking for a Ranger-aged Youth Representative to become a committee member, for a one-year term. This member will help bring the youth voice to our committee projects and discussions as we encourage a return to In-Person camping adventures throughout BC. To help Guiders provide amazing outdoor experiences, we need someone with both a love of camping and a keen desire to help develop amazing resources for units to put on events in their local areas.

We are looking for someone who can help us with some of the following projects:

- develop camping program for younger branches,
- develop a program to mentor Rangers who want to put on a Spark Day Camp event,
- revitalize resource materials and outdoor challenges for units in each branch,
- write camping articles for The Headlamp (our electronic publication), and
- engage Girl Guide social media to highlight camping and the outdoors
